Step Into 100 Years of History at Murney Tower

Looking for one of the most memorable stops in Kingston? Head to Murney Tower, where history comes full circle. This lakeside landmark is celebrating 100 years as a museum in 2025; it's the perfect time to explore its incredible story.

Built in 1846 to defend Kingston from possible American invasion, Murney Tower is one of four Martello towers guarding the harbour. But beyond its military past, this circular fortress became something even more interesting: a home for soldiers and families, a forgotten relic, and finally, a beloved local museum.

Inside, you'll find immersive exhibits across three floors - from soldiers' uniforms and 19th-century tools to eerie rifle slits and original artillery still in place. Climb to the top for unbeatable views of the city and lake, and don't forget your camera - the golden hour glow on limestone is unforgettable.

The 100th anniversary will feature special programming all spring and summer, including open houses, guided tours, and family-friendly events.

This Kingston icon is ready to welcome you with stories, views, and a century's worth of layered history.

WHY YOU SHOULD BOOK WITH MOTOR COACH CHARTERS CANADA

Ontario's group travel scene is vibrant and diverse, from student trips to church retreats to seniors' getaways and family adventures. But with so many options, how do you ensure your group's journey is safe, reliable, and stress-free? The answer: MotorCoachCharters.ca

SAFETY AND RELIABILITY FIRST

MotorCoachCharters.ca is powered by Motor Coach Canada and the Ontario Motor Coach Association, representing only vetted, reputable operators who meet the highest standards in safety, service, and regulatory compliance. Every operator in their network is required to have up-to-date safety inspections, proper licensing, \$8 million in public liability insurance, and a proven track record of maintenance and driver training. This means your group - be it students, seniors or anyone in between - can travel with peace of mind.

ONE-STOP, HASSLE-FREE BOOKING

Instead of calling around to compare companies, MotorCoachCharters.ca offers a single quote request form that instantly connects you with multiple trusted operators. The association's team sends your request to their network, ensuring that you get competitive quotes from only the best, fully vetted companies, saving you time and reducing uncertainty.

EXPERT GUIDANCE

The website isn't just a booking portal; it's a resource hub. You'll find detailed checklists, key questions to ask, and guidance on everything from driver hours to cross-border requirements. This empowers organizers to make informed decisions and avoid common pitfalls-especially important for those new to group travel logistics

MotorCoachCharters.ca is the go-to choice for organizers who want to deliver a memorable, safe, and reliable experience with an industry-vetted charter operator

The Quilt of Belonging

Help us welcome the Quilt of Belonging to its new home at the TriSisters Art House in St. Jacobs, Ontario. This national treasure is 120 feet long with 263 unique quilt blocks, each made by individuals from Indigenous nations and immigrants who call Canada home. Esther Bryan, the visionary force behind the Quilt, had boundless energy and mobilized thousands of volunteers to take part in an incredible journey - an invitation for all cultures to celebrate their common humanity and find their unique place in the Canadian mosaic. We are honoured to once again give all Canadians the opportunity to experience the Quilt as we resume its travels across our great nation and around the world. We believe Canada's greatest strength lies in our diversity.

"I saw the need of each person to be included, to be seen and to be heard." Esther Bryan
